

Beginning in February, Glenview Methodist Preschool is proud to offer the Spring Semester of

Kindergarten Club

A GMPS Kindergarten Enrichment Program

GMPS Kindergarten Club is a Kindergarten Enrichment Program designed to enhance children's learning beyond the traditional Kindergarten classroom. Our program is offered to all children enrolled in morning Kindergarten classes. Taught by an experienced Kindergarten teacher, children will be exposed to a wide range of subject matter and skills in a stimulating format. Utilizing both individual and cooperative group learning situations, children will build on what they are learning in Kindergarten and be exposed to First Grade curriculum.

With Literature as a main component of the program, units will also cover the following subject areas: *Math, Science, Social Studies, Geography, and Creative Arts*. Kindergarten Club's Thematic Units for Spring 2010 will consist of:

Shape, Size & Pattern
Seasons & Weather

Farms & Growing Things
Vacations

Our Local Area
